Certificate of constancy of performance

1396-CPR-0203

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products Regulation or CPR), this certificate applies to the construction product

Vertical elastic rolling fire gate AK120-1

covered by EN 13241: 2003 + A2: 2016, used as industrial, commercial and/or garage doorsets intended for the installation in areas in the reach of persons and for which the main intended uses are giving safe access for goods and vehicles accompanied or driven by persons; normally held open but self-closing in case of fire; used on conditions defined in the Assessment and verification of constancy of performance No. C1396/21/0014/2401/SC issued by FIRES, s.r.o., Notified Body No. 1396, Slovak Republic on 14. 10. 2021. The product is

placed on the market under the name or trade mark of the manufacturer

NGR Technologie Sp. z o.o.
ul. Zielonogórska 8, 62-065 Grodzisk Wielkopolski, Poland

and produced in the manufacturing plant

NGR Technologie Sp. z o.o.
ul. Zielonogórska 8, 62-065 Grodzisk Wielkopolski, Poland.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 16034: 2014

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 14. 10. 2021 and will remain valid as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
